

BRAILLO ● 650 SF

Advanced interpoint Braille printer for large volume production

- Rugged construction for large volume production of Braille.
- Built-in Paper Cutter.
- Uses standard paper rolls up to 1 meter in diameter.
- Modular design, easy to service.
- Stack sheets, adds a cover, then staples and folds to make a finished book.
- 2 years warranty on parts.
- Prints simultaneously on both sides of paper.
- Adjustable speed between 400 and 650 characters per sec. continuous printing.
- High Braille quality. Each document is an original.
- The printing system is based on Braillo 400 S with more than 15 years of experience.
